Profile

Aspiring Graphic Designer and UX/UI Developer, and a current Multimedia student at Asia Pacific University (APU), with experience in website development, digital illustration, 3D modeling, interactive media, and content creation. Seeking opportunities to apply and expand my skills.

Description

1 Experiences

Peer Leader of Adapted Classwide Peer Tutoring (Math)

- Tutored 5–10 students in math, helping them improve understanding mathematical concepts.
- Adapted teaching methods to suit different learning styles.
- Helped students achieve better performance, with all participants passing the subsequent mathematics exam.

Volunteer of Society for the Prevention of Cruelty to Animals (SPCA)

- Maintained pet hygiene by washing cat cages and organizing cat rooms.
- Assisted with animal care routines by walking the dogs.

Committee Member of APU AI Committee

- Designed various graphics for events and initiatives.
- Assisted in planning workshops and student engagement programs.
- Contributed to AI Week 2026: LLM Everywhere

Member of Angkatan Mahasiswa Anti Rasuah Club (AMAR)

- Participated in AMAR initiatives, such as charity events and awareness campaigns.

Member of Women Empowerment Club (WEC)

- Participated in WEC initiatives, such as workshops and booth management.

Crew Member of APU Mega Career Fair 2026

- Supported event organization for a large-scale university career fair.
